CLEAN WITH CONFIDENCE WITH A PROVEN LINE OF CLEANERS AND STAIN REMOVERS

Older pavers have their share of grime and oil stains from cars, trucks and BBQs, as well as from a multitude of organic materials such as bird droppings, leaves, soil, clay, etc. Keeping pavers in good shape and preparing them adequately before protecting can be daunting, especially when it comes to stain removal. Luckily, Techniseal® has the products to clean them and to remove even the toughest of stains.

SEAL ANY PAVED SURFACE AND CREATE ENDLESS HOME BEAUTY

Pavers sealed with Color Boost, matte finish protector

SEAL WITH CONFIDENCE WITH A PROVEN LINE OF MULTI-SURFACE PROTECTORS

Techniseal® offers a complete line of paver protectors for the maintenance and rejuvenation of hardscape surfaces. From concrete pavers to natural stone, Techniseal® has a proven solution that will ensure the timeless beauty of gracious outdoor living spaces.

Our product line offers more versatility with its “all-in-one” sealers and joint stabilizers. Techniseal® Paver Protectors are available in a choice of 4 looks and finishes: Natural Look, Satin Look, Color Boost and Wet Look.
