

Next-Generation LED Ledge Light

7 inch Rotatable LED Ledge Light Version 2.0

newlite
Specialty Products, LLC

Gone are the days of removing caps or worrying about wiring if you need to replace a ledge light.

With the idea that “Not Every Wall is Flat”, we made our top selling Rotatable Ledge Light even better. Not only can you eliminate hot spots on walls by adjusting the angle of the light bar up to 30°. Now our newest version comes with an easily replaceable light bar.
