

GO VIRTUAL WITH BELGARD DESIGN STUDIO RENDERINGS

Belgard Design Studio renderings are crucial to the no-contact virtual sales process. Video conferencing methods like Zoom or GoToMeeting allow you to share your device screen while talking with homeowners to virtually walk them through a design.

Photorealistic 3D imaging showcases your design integrated with the actual home.

Optional fly-through animation or 360-degree Virtual Reality views create a more dynamic presentation.

**ELIMINATE

**MINIMIZE
DESIGN REVISIONS**

**IMPROVE EFFICIENCY
OF MATERIAL ORDERS**

**3 IN 4 CHANCE OF
CLOSING THE DEAL**

Submitting a Design Studio project request is easier than ever with the

NEW BELGARD CONTRACTOR APP

Get unlimited **FREE** project renderings for all Belgard Authorized Contractors.

- **Submit** and **manage** 3D design requests to the Belgard Design Studio.
- **Chat function** allows you to **communicate directly with your 3D modeler**.
- **View, share** and **archive** renderings from within the app!

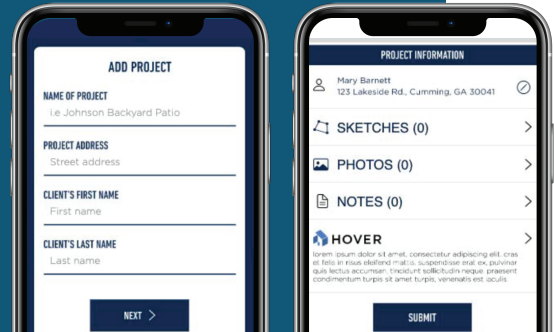

(IPHONE OR IPAD USERS ONLY)

THE BELGARD CONTRACTOR APP

EXCLUSIVELY FOR BELGARD
AUTHORIZED CONTRACTORS

1. Call 877-BELGARD (877-235-4273) or contact your Belgard Representative to request a Belgard Contractor App account.

2. Receive an email to activate your account and download the Belgard Contractor App.

3. Add your first project into the app. Enter project details, upload design photos and sketches, and add notes.

4. A member of the Belgard Design Studio team will reach out to you within one business day to schedule your project or follow up with any additional questions.

5. When you receive notification of completed renderings (typically within 5 days), you can view, share and archive them within the app.

(FOR WEB BROWSING EXPERIENCE)

PORTAL SUBMISSION

FOR BELGARD AUTHORIZED CONTRACTORS USING
AN ANDROID AND ALL OTHER CONTRACTORS:

1. Call 877-BELGARD (877-235-4273) or contact your Belgard Representative to see if you qualify for **FREE** designs as part of the Belgard Contractor Program. If so, you will receive a password for the BDS portal. If not, you can begin the Contractor Member qualification process or submit a paid BDS project.

2. Submit one of two ways, through either the [Belgard Contractor](#) or [Paid Project BDS](#) Portals.

Once ALL project details are fully submitted, turnaround of Belgard Design Studio renderings will typically be provided within **5 business days**.
