

NEW PRODUCT

****PORTABLE VACUUM LIFTER****

****GRABO PRO****

****LCD Gauge - Smart I Pressure
Sensor Digital with ON/OFF
sensor***
Ergonomic handle*

These are the materials the GRABO PRO can work with:

- **GRABO GRABO works great with natural stone, marble, flagstone, porcelain, granite and other less porous stones.**
- **The GRABO is perfect for a glazier.**
- **Laminated cardboard.**
- **Plastics of all types.**
- **Wood, both rough and smooth.**
- **Metals. The GRABO sees no challenge in picking up metal with diamond plate or other uneven patterned surfaces.**
- **Tiles, smooth and patterned/uneven surfaces.**
-
