

# Stormwater Solutions

*Stormwater is the fastest growing form of water management. The Clean Water Act implemented in 1972, and ever constricting regulations, has created the demand for stormwater infrastructure and management technology. Look no further than EJP for all of your Stormwater Management needs.*

## Stormwater Treatment B.M.P. Technology

- ❖ Stormwater Treatment
- ❖ Stormwater Pre-Treatment
- ❖ Targeted Pollutant Removal
- ❖ Water Quality Units
- ❖ Customizable Design
- ❖ Enhanced Filtration

## Permeable Pavements

- ❖ Aggregate Paver Systems
- ❖ Grass Parking Systems
- ❖ H2O Loading Available
- ❖ Parking Lot Applications
- ❖ Emergency Vehicle Access
- ❖ Permeable Parking
- ❖ Rigid Panel Products

## Inlet Protection

- ❖ Drop Inlet Protection
- ❖ Coir Inlet Filters
- ❖ Sediment & Trash Capture
- ❖ Easy Maintenance
- ❖ Cost Effective

## Retention / Detention & Drain

- ❖ Shallow & Deep Storage
- ❖ Rainwater Harvesting
- ❖ Groundwater Recharging
- ❖ Modular Underground Systems
- ❖ Strip Drain
- ❖ Trench Drains
