

T PRO Torpedo Spirit Level

T PRO is a high-quality magnetic spirit level with proven accuracy.

The T PRO is a lightweight, magnetic, torpedo spirit level that is suitable for a wide range of measuring tasks thanks to its compact size. You can measure horizontally, vertically, and even at a 45° angle and with a measuring accuracy of ± 1 mm/m thanks to the unit's three vials. The three extra-large vial recesses ensure maximum readability.

Highlights

- High-quality spirit level with proven accuracy (± 1 mm/m)
- Aluminum body with plastic covering for optimal stability
- Recessed magnetic strip ensures a flat measuring surface, precise measurement results, and leaves your hands free when aligning metal surfaces
- Practical V-groove on the top side for use on pipes and cables.
- Large vial recesses for optimum readability
- Horizontal vial features 4 rings for 2% measurement
- Extremely versatile thanks to its compact dimensions and three break-resistant acrylic tube vials for horizontal, vertical, and angle measurements

The T PRO is equipped with three break-resistant acrylic tube vials for horizontal, vertical, and 45° measurements. The horizontal 4-ring vials are also suitable for measuring inclinations of 2%.

Order information	Art. Nr.	Technical details	
T PRO, single pack	01430701	Material	Aluminum, ABS plastic
T PRO, counter display 10 pcs	01430801	Color	black/red
		Dimensions	9,05x0,59x1,69 in
		Measuring surface	Aluminum, V-groove
		Number of horizontal vials	1
		Number of vertical vials	1
		Special characteristic	45° angle vial
		Measuring tolerance, standard position	1.00 mm/m (0.086°)
		Magnet	Magnetic strip
