Conditions

1. Registration is not considered complete until the fully completed and signed Team Registration Form is received along with supporting documents **and payment**.
2. **Cancellations** must be submitted to the Event Organizer in writing at least 1 week in advance of the event. Substitutions will be permitted from the same company any time prior to the event.
3. **Northeast** Hardscape Expo and NECMA are not responsible for expenses incurred due to cancellation of the championship.
4. **Any** participants who are found to be under the influence of drugs or alcohol during the Regional Installer Championship will be immediately disqualified from the competition and the registration fee will be forfeited.
6. **All** decisions of the judges **are** final.
7. Failure to comply with the rules or conditions of the Championship by any team member will result in the team's disqualification.

Championship Rules - Entry is limited to the **first 16 completed registrations**.

1. Complete the Team Registration Form, **each** team member **MUST** sign **the form**.
2. **Teams must submit** proof of their general liability and workers compensation insurance coverage.
3. Submit **both** the completed Team Registration Form and the insurance documents by email or mail along with your \$200.00 registration fee to NECMA, PO Box 1131, Webster, MA 01570-9998. **Any questions, please call 774-402-0653.**
 - a. Each team must have two (2) crew members and may choose to register one (1) alternate, **ALL** must sign and date this Team Registration Form.
 - b. Teams must attend the pre-event meeting scheduled on Wednesday, March 20, 2024 at 7:00 am at Mohegan Sun. The judging criteria and rules will be reviewed. Teams will be randomly placed in a preliminary round and assigned a construction area at the pre-event meeting. Failure to attend or make alternate arrangements will constitute a withdrawal from the Northeast Hardscape Expo Installer Championship and forfeiture of the entry fee.

- c. Each team will be provided with basic hand tools and personal safety equipment. The following larger tools will be supplied for use during the Championship:
 1. Weber CF3 vibratory plate compactor,
 2. Screed rails
 3. Screed board,A comprehensive list of **additional tools** that we provide will be sent to you with your confirmation to compete in our event.
Teams may bring and use their own small hand tools. No power tools of any kind are allowed.

Competition Format

- a. There will be two Preliminary Rounds of 8 teams each. The 4 teams with the highest score from the first day will advance to the Championship Round to take place the following day.
- b. Between each preliminary round, each construction area will be returned as close as possible to its original state by the participating team, so the subsequent team may compete without any noticeable advantage or disadvantage.
- c. During the preliminary round(s) each team's score will be calculated based on completeness, compliance to industry guidelines, safety, quality and craftsmanship by each judge as detailed in the Preliminary Round Judging Form.
- d. The team's Preliminary Round Total Score will be the sum of their score from all judges during the preliminary round.
- e. At the end of the preliminary round(s), each team will be ranked based on their Preliminary Round Total Score. The four teams with the highest total scores will advance to the Championship round.
- f. During the Championship round, each team will be given two hours to complete their construction, according to their own creative design in the assigned construction area using the materials provided.
- g. During the Championship round each team's score will be calculated based on completeness, compliance to industry guidelines, safety, quality, craftsmanship and creativity as detailed in the Championship Round Judging Form by each judge.
- h. The team's Championship Round Total Score will be the sum of their scores from all judges during the Championship round.
- i. At the end of the Championship round, each team will be ranked based on their Championship Round Total Score. In the case of a tie, the judges will determine the final ranking.
- j. The team ranked highest will be declared the "**Regional Installer Champion.**"

Layout and Work

- a. During each preliminary round, all teams will construct an 8'x10' patio area within 90 minutes as detailed in the supplied drawing involving:
 - a. Paver design/layout to be determined one month prior to the show
 - b. Bedding sand, edge restraint
 - c. Compaction without joint sand
 - i. **After the judging, it is the responsibility of each team to return hand tools to the wheelbarrows that are provided. Failure to do this will result in a forfeiture.**
- b. All materials to be used in the construction will be provided and placed in the team's assigned area. Pre-cut or discarded materials left from previous rounds cannot be used in the construction. Teams cannot supply their own materials.
- c. Teams are required to be at their designated construction area not less than 15 minutes prior to the start of the round they are competing in. Failure to arrive at this time will constitute a withdrawal from the Northeast Hardscape Expo Installer Championship.
