

EZYSCREED

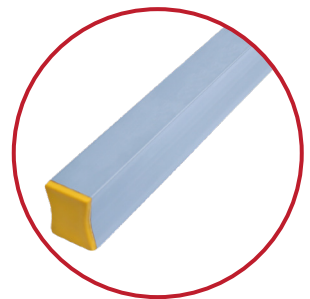

- Used as a screed, float or check rod
- Lightweight aluminum construction
- Handle has a built-in level for checking work
- Ridges in heavy-duty handle increase strength and grip
- Dual-edge design has a sharp edge for cutting and a round edge for floating concrete

Built-in level

Dual-edge design

EDI	Part#	Description	Size-in	Size-mm
28394	EZYSCREED3	3' EZYSCREED with level	35.4 x 2 x 1.625	900 x 50 x 40
